- Click the **Term** drop-down menu to select the desired term.

NOTE: You must enter at least two search criteria.

▼ Class Search

Subject	<input type="text"/>
Course Number	<input type="text"/>
Course Career	<div> Anatomy Biochemistry Neurology Physiology Psychiatry </div>

▶ Additional Search Criteria

- Click the **Course Subject** drop-down to select the desired Course subject.

▼ Class Search

Subject	<input type="text"/>	
Course Number	is exactly	<input type="text"/>
Course Career	<div> contains greater than or equal to is exactly less than or equal to </div>	

▶ Additional Search Criteria

- You can narrow the search by selecting a **Course Number Operator** and **Course Number**.

Description of Operators:

contains - Select if you know a partial course number. The results will include all courses with that combination of numbers.

greater than or equal to - Select if you want to view courses above a certain number. For example, you want to search for all upper level courses.

is exactly - Select when searching for a specific course number.

less than or equal to - Select if you want to find courses below a certain number. For example, you want to search for all lower level courses.
